

**Emiri Decree No. (5) of 2002 AD**

**Concerning Transaction Fees at Ajman Municipality**

We, Humaid bin Rashid Al Nuaimi, Member of the Supreme Council, Ruler of the Emirate of Ajman,

Having reviewed the Law on the Establishment of Ajman Municipality of 1968, the Commercial Licenses Law of 1985, the Law on the Practice of Economic, Professional, or Craft Activities by Non-Nationals of 1983, the Emiri Decree on Investment Licenses of 1983, and the Emiri Decree on Commercial, Industrial, and Professional License Fees of 1996...

And having reviewed the local orders and decisions issued by Ajman Municipality regarding the fees for various transactions processed by the Municipality...

And to enable the Municipality to increase its financial resources to spend on upgrading and improving its services to the public dealing with it in the Emirate....

And after reviewing the recommendations submitted to us by the Head of the Economic Department and the competent financial authorities in the Emirate regarding the conditions and future of economic activity in the Emirate... and the necessity of the business sector's contribution to the development of the Emirate..

And based on what we have deemed to be in the public interest,

We have issued the following Emiri Decree:

**Article (1)**

**Name and Commencement of the Decree**

This Decree shall be named the "Decree on Transaction Fees at Ajman Municipality" and shall come into effect from the date of its signature.

**Article (2)**

**Collection of Prescribed Fees**

2 (1) The Licenses Section at Ajman Municipality shall collect the fees for commercial, professional, and industrial licenses mentioned in the First Schedule attached to this Decree for all transactions submitted to the said section after the effective date of this Decree or those that are under consideration by the said section at the time of this Decree's entry into force.

2 (2) The Technical Affairs Department at Ajman Municipality shall collect the fees mentioned in the Second Schedule attached to this Decree for all transactions related to buildings and lands in the Emirate of Ajman that are submitted to the said department after the effective date of this Decree or those that are under consideration by the said department at the time of this Decree's entry into force.

2 (3) The Public Health Section and the Central Laboratory for Food and Environmental Control Section at Ajman Municipality shall collect all fees mentioned in the Third Schedule attached to this Decree for all transactions submitted to the said Public Health Section or the Central Laboratory for Food and Environmental Control, as the case may be, after the effective date of this Decree.

2 (4) The Agriculture Section at Ajman Municipality shall collect the prices for seedlings (trees and shrubs) mentioned in the Fourth Schedule attached to this Decree, which the said section sells to the public after the effective date of this Decree.

### **Article (3)**

#### **Payment of Financial Guarantees**

(1) The concerned applicant shall pay the financial guarantee amounts mentioned in the Fifth Schedule attached to this Decree:

- (a) To the Technical Affairs Department at Ajman Municipality to guarantee compliance with the construction, restoration, or modification of the concerned building as per the Municipality's approval; or
- (b) To the Works Section to guarantee the safe return of any equipment belonging to the said section after its use by any person licensed to use it, or to restore a public road to its previous condition after it has been excavated, its asphalt layer cut, or culverts dug under the asphalt layer for service line connections.
- (c) To the Central Laboratory for Food and Environmental Control to guarantee the provision of a certificate or certificates from the country of origin or to guarantee the re-export of non-compliant food items.

3 (2) The Municipality may deduct any amounts from the financial guarantee amount in case of any violation of the conditions under which the relevant approval was issued or to cover any administrative expenses incurred by the Municipality in relation to the relevant financial guarantee. The amount of the fine and the administrative expenses shall be determined in accordance with the provisions of the local order issued by the Director General of the Municipality in this regard, in implementation of the provisions of this Decree.

3 (3) The full financial guarantee amount, or the remainder thereof after deducting any fines imposed or administrative expenses incurred by the Municipality, shall be refunded within five working days after the date of issuance of the building completion, restoration, or modification certificate from the Municipality, or after the date the applicant has fulfilled the condition or obligation for which the financial guarantee was paid to the competent section at the Municipality.

### **Article (4)**

#### **Exemption from Fee Payment**

4 (1) Exemption from collecting the prescribed fees and financial guarantees under the provisions of this Decree, in whole or in part, shall not be permitted except by a decision of the Ruler of the Emirate based on reasonable grounds, recommended by the Director General of the Municipality, justifying the full or partial exemption from collecting the fees or from paying the financial guarantees prescribed under the provisions of this Decree.

4 (2) The provisions of this Decree, and the fees and guarantees prescribed hereunder, shall not apply to building license and completion certificate transactions issued to beneficiaries of government housing projects covered by exemptions decreed by the concerned government entities within the said housing projects.

## **Article (5)**

### **Violations and Penalties**

Without prejudice to the application of any stricter penalties or other measures prescribed in Local Order No. (14) of 1996 issued by the Director General of Ajman Municipality on 9/12/1996, any natural or legal person who commits a violation of the provisions of this Decree shall be punished with a fine of not less than one thousand dirhams, and the penalty shall be doubled in case of repetition or if multiple violations are proven by the same person at the same time.

## **Article (6)**

### **Repeal of the Previous Decree and Transitional and Executive Provisions**

6 (1) Emiri Decree No. (4) of 1996 is hereby repealed as of the date of this Decree, and any provision in any other local order or legislative decision that contradicts the provisions of this Decree is also repealed.

6 (2) The Director General of the Municipality may submit any recommendations to amend the provisions of this Decree to add any new economic activities or transactions not included in this Decree or to amend the amount of any fees mentioned therein as required by the public interest or for the purpose of removing any negative effects resulting from the application of any specific fees mentioned in this Decree.

6 (3) The Director General of the Municipality shall issue the necessary executive orders and decisions to implement the provisions of this Decree, provided that such orders and decisions do not conflict with the provisions of this Decree.

Issued by us at our Diwan in Ajman on this Monday, the fifteenth of the month of Rabi' al-Awwal, year 1423 Hijri, corresponding to the twenty-seventh day of the month of May, year 2002 Gregorian.

**Humaid bin Rashid Al Nuaimi**

**Member of the Supreme Council, Ruler of the Emirate of Ajman**
