#### **Article (2)**

This Emiri Decree shall apply to all rental lawsuits brought before the Rental Disputes Committee in the Emirate of Ajman for adjudication, including requests for the execution of decisions issued by the said Committee. It shall not apply to lawsuits and requests for which fees have been paid, or their fees deferred, in part before the effective date of this Emiri Decree.

#### **Article (3)**

The fees mentioned in the schedule attached to this Emiri Decree shall be collected for rental dispute lawsuits and other related requests.

#### **Article (4)**

No lawsuit or other related request may be registered until the prescribed fee, mentioned in the schedule attached to this Emiri Decree, is paid. The competent department in the Committee shall remove the concerned lawsuit or request from the hearing schedule if the due fees are not paid or if part of them has been deferred in accordance with the provisions of Article 16(3) of Emiri Decree No. (3) of 2009, as amended, and the provisions of Article 10 of this Emiri Decree.

#### **Article (5)**

5(1) The value of the lawsuit shall be estimated according to the plaintiff's claims at the time of filing the lawsuit, and the final estimation shall be according to the plaintiff's final claims. The higher of the two fees shall be collected if the plaintiff amends his claims during the course of the lawsuit. Fees shall be paid in the state's currency.

5(2) Any fraction of a Dirham in the calculation of fees shall be considered a full Dirham and shall be collected on this basis.

#### **Article (6)**

A separate fee shall be collected for counterclaims in the original lawsuit, equal to the fees prescribed for the original lawsuit. The fee for a sub-guarantee claim filed by the defendant before the same committee shall be collected based on its value and type.

#### **Article (7)**

7(1) If the lawsuit includes claims arising from a single legal cause, the fees shall be estimated based on their total value. If they arise from different legal causes, the estimation shall be based on the value of each claim separately, as decided by the chairman of the concerned circuit.

7(2) If the lawsuit includes a primary claim and an alternative claim, the higher of the two fees shall be collected. As for additional or subsidiary claims, they shall be added to the primary claim, and the fee shall be calculated on their total value.

7(3) An intervenor joining the plaintiff shall be charged the lawsuit fee or 4% of the value of their claims, whichever is greater.

## **Article (8)**

The deferred fees shall be collected from the party liable for them before the execution of the Disputes Committee's judgment in the concerned lawsuit.

## **Article (9)**

Lawsuits, requests, and appeals, including their related procedures and consequences, filed or submitted by local or federal departments or their affiliated public bodies or institutions, shall be exempt from fees.
