Article No. (1)

Name of the Decision and its Enforcement

This decision shall be named "Decision No. (77) of 2017 regarding the amendment of the registration and classification system for suppliers, contractors, and consultants in the Government of Ajman" and shall come into effect from the first of January 2018.

Article No. (2)

Article (26) of Decision No. (61) of 2013 concerning the registration and classification system for suppliers, contractors, and consultants in the Government of Ajman is amended to be as follows:

1. No government department may contract with a supplier, contractor, or consultant who has not been registered and whose name is not listed in the register of suppliers and contractors.
2. The department must monitor the performance of suppliers, contractors, and consultants registered in the register by conducting periodic performance evaluations based on standard criteria and principles to measure their performance.
3. All concerned government departments in the Government of Ajman have the right to view the list of qualified suppliers, contractors, and consultants with the department by accessing the department's website and viewing the system for the registration and classification of suppliers, contractors, or consultants.
4. Exempted from the registration requirements mentioned in this decision are exclusive agents, local and federal government entities, public benefit associations, and charitable societies, provided they are registered in the Mawared system for the purpose of dealing with them by government departments.
5. The department and all other government departments shall adhere to the provisions contained in the Unified Financial System of the Government of Ajman.
